Dear Oaklands Friends and Families,

Welcome back to term! It sounds like everyone had a great break and is returning to school well rested.

There are a number of people I would like to thank for acts of service to our school and community.

Janice Mitchell continues to offer pastoral care to our school, in her capacity as School Chaplain. She is hugely popular with our students for the great breakfast club that she has started.

The Hon Sussan Ley MP recently arrived for a visit to Oaklands. We thank her for presenting us with a new National Flag and for taking the time to speak with our students. And it must be said that our assembly on this day would not have been able to go ahead without the organisation from our wonderful Ms Outram. Thank you!

Brie Kerr and Sarah Moloney have put in a tremendous effort on numerous fronts. In particular, they followed a vigorous and often frustrating process to establish a clear uniform policy through the P&C. This is an enormous task and they are to be congratulated for their efforts. Furthermore, Sarah and Brie have made contact with the NSW Cancer Council and solicited the support of the school, our P&C and Oaklands CWA branch to establish stronger sun safe procedures for our staff and students. This has resulted in each child being presented with a new school hat (with name inside) for free!!!

We’re very fortunate to have a community of teachers, parents and students who are willing to go the extra mile to make Oaklands such a nice place to live and learn. It is a responsibility of mine, as our principal, to gently remind everyone that we are all bound by a code of conduct to ensure such a positive culture remains protected. This in mind, teachers are bound by a code of conduct that requires them to consistently behave in a professional manner, both within and outside of the classroom, non-teaching staff are the same.

Visitors are also to be reminded that involvement in school operations is a privilege and not a right. If the behaviour of a student or a staff member is of concern, I would encourage you to bring it to the attention of the principal.

Any behaviour, by a visitor, that might be reasonably be considered as harassing or intimidating, is not acceptable. Anyone in breach of this code could face penalties associated with the Enclosed Lands Act and, ultimately, face penalties including lack of access to school premises/functions, fines and/or imprisonment.

**JerriBerriOaks Cricket**

On 9th April last term, George, Logan, Xavier and Aaron (who was 12th man), travelled to Deniliquin to play in the JerriBerriOaks cricket team against Deniliquin South Public School. We played on the Adam Gilchrist oval in Deniliquin.

We arrived early so we could do some warm up training for half an hour before the game as a team.

The coin was tossed and our team elected to bat first. George opened the batting with Ben Browning from Jerilderie. George made 26 runs. Xavier went into bat at number 3 and was unfortunately out for a duck. Logan batted number 4 and made 7 runs and was caught in the mid field. In total our team made 90 runs.

We had a quick lunch and then got back to the cricket. Deniliquin South came out to bat. George, Xavier and Logan all got to bowl and Aaron got a field. Deni South batting well and the wickets fell slowly.

In was down to the last over and we were one run in front. Deni ended up making six runs in the last over with the total score being 95 runs. It was an exciting finish and we all had a great time with our teammates.

**AFL Riverina Murray Football Trials**

On Thursday 2nd May, Byron Habermann and Lachlan Day participated in the AFL Riverina Murray selection trials. Both boys acquitted themselves well in a tough selection process.

Byron was successful in being selected which now invites him to journey to Broken Hill for the NSW Combined High Schools selection. This means that Byron has the opportunity to represent the state at U/15 level.

Well done to both boys in their endeavors and again thanks for parent support.

Mr Peter Longmire

**Food Allergy Week**

May 13th - 19th is Food Allergy Week. 1 in 10 babies born in Australia today will develop a food allergy. There is no cure and currently no one understands why allergies are increasing at such an alarming rate. To show your support paint 1 fingernail out of 10. Increase your knowledge by visiting www.foodallergyaware.com.au

Over the next 2 weeks the children in 3/4/5/6 will be planting cabbages, broccoli, carrots, spinach, silverbeet and beetroot. They will be fertilizing the citrus trees, watering some great rhubarb and looking after our new ducks who were kindly donated to us by Mrs Petra Dehn and looked after during the holidays by Holly Arnold.

Many thanks to the staff and management at the Howlong Wholesale Nursery who have provided us with a huge assortment of edible plants for our garden program. The Howlong Nursery is a wholesale nursery and has been a fabulous sponsor of the garden program for many years. You can show your support for the nursery by buying your seedling in the lime green trays when you are out and about getting your own seedlings.

A thank you also to Hunters in Corowa who gave us a big discount on some new sprinklers, hose connections and watering cans.

Ms Janette Outram
