Clean Up Australia Day
Dear Oaklands Parents and Carers,

We’re currently drafting our school homework policy. Many thanks to those parents that were able to attend our recent P&C meeting to share in the discussion.

On Wednesday 18 March, we will be canvassing our teachers for their opinions and students will be included in the conversation shortly thereafter.

Here are some of the facts around homework in schools:

1. Policy - While homework is not a mandatory element of schooling, the development of a policy is an expected requirement. This is even if we decide to have a policy that says we don’t wish to have homework included as an aspect of schooling.

2. Research - The inclusion of homework has unclear evidence to support improvements in student learning outcomes. Details of these finding can be found by reading the attachment, “Homework: a parent guide”.

3. Findings - There have been diverse opinions on this topic. Those in favour of homework support it because it instills a sense of responsibility in children, it teaches time management skills from an early age and it helps to revise the learning that goes on in the classroom. Those opposed to homework have suggested that it causes anxiety for students, teachers and parents. Setting and marking homework tasks is labour intensive for teachers. If it doesn’t have an impact on learning outcomes, could their energies be more effective elsewhere? There were some parents that reported that with the distances travelled for children to access further learning (Sport, Arts, Tutoring, etc.) that they are often time poor.

We have begun to develop a whole school approach to homework that considers both sides of the debate. I’ll be aiming to share a draft version with our community at the next P&C meeting on the Monday 20 April. A copy will also be included in a newsletter to follow. If you are unable to attend our next meeting and would like to have your voice heard on the issue, I encourage you to contact me at school on 02 6035 4290.

Matthew Jacobson
Principal

Rocketing towards the end of term...
Can you believe it is Week 8 already?

Clean Up Australia Day Activities
On Wednesday 4 March students from Kindergarten through to Year 12 participated in Clean Up Australia Day activities in the afternoon. Students worked their way through the school grounds and along many of the streets throughout Oaklands. It was great to see so many of the students enthusiastic about the important initiative. It sparked a lot of educational discussion regarding littering,
keeping our planet clean and a place we are proud to call home!

**Year 11 Biology and Senior Science Excursion**
Year 11 students; Gracie Richens, Clay Watson and David Powell travelled to Darlington Point on Tuesday 3 March to participate in a Riverina Access Partnership excursion to support their studies in Biology and Senior Science. Students looked at the interactions in a River Red Gum Forest, conducted some water testing and used transects and quadrats to study the vegetation abundance and distribution. It was a great learning opportunity for all students.

Some were working in the mental health field and others were sharing experiences. It was a great opportunity for students to listen to inspirational people and gain information to support their health as they continue through adulthood.

**Year 11/12 Mentoring Program**
Thank you to Ms Tammy Baker who has initiated and organised the implementation of the Year 11/12 mentoring program. Teachers and staff across the school volunteered to be mentors. All students signed up for the program and have now been assigned mentors. The initiative hopes to minimise the impact that the HSC can have on students, therefore maximising learning outcomes!

**Drug, Alcohol and Depression Session**
Students in Years 9 and 10 travelled to Billabong High School in Culcairn on Thursday 5 March, to attend a Drug, Alcohol and Depression Session organised by the local Lions Club. The day consisted of a number of guest speakers.

**Trying Something New!**
This term Secondary are trialling Student Progress Reports instead of the traditional Parent/Teacher Interviews. If you would still like the opportunity to meet with teachers...

Thursday 26 March, 2015
Come Dressed in Purple
Gold Coin Donation

**Raise Money for the OCS Library**

Sausage Sizzle ($1 per sausage)
please don’t hesitate to contact the school to arrange a suitable time.

Furthermore we will be holding a Secondary Family Pizza night on Wednesday 1 April 2015. We encourage you to come along and support your child and get to know their teachers. More details will follow closer to the date.

Secondary General
A reminder to all students that we encourage full school uniform each day at school. If your child is out of school uniform for any reason, please send along a note to school to excuse them for the day. Furthermore students are expected to wear the SCHOOL hat at recess and lunch.

We would also like parents to encourage their children to be engaging in studies at home (revising over work covered during the day, completing any unfinished work or working on assessment tasks). There will be a number of assessment tasks due for students over the next couple of weeks. It is important that students build time management skills and hand in work on time!

Melinda Elith
Relieving Head Teacher Secondary Studies

Textiles News
Students have spent this term becoming familiar with fabrics and learning about fabric construction. Students have made their own yarn from scraps of fabric which they are now forming into a fabric item.

Next term we will be constructing pyjamas and due to the huge uptake of the subject this year, we find ourselves two sewing machines short. If anyone has a machine in good working order, which they would like to lend us for the rest of this year, it would be most gratefully received.

Mrs Marshall and the Textiles Class

Pink Stumps Day - Urana

Last Friday 13 March students set off to join around 160 students from around the area to raise money for the McGrath Foundation and enjoy a few games of super 8’s cricket in Urana. Pink Stumps day became quite the fashion statement with students wearing pink shirts, pink socks, pink sunnies, pink zinc and pink headbands (some were even lucky enough to play with pink wickets).

The students of Oaklands Central School represented us with great enthusiasm, their sportsmanship and kindness towards all students was impeccable. The stories of our students helping other teams, other students and even the umpires is incredibly humbling, some were even given prizes for their behaviour. A big thank you must go to Urana Central School’s Mrs Dore and Mrs Gleeson for the organisation of the day, our students had a fantastic time. A huge thankyou must also go to the parents that transported students to Urana, and Leanne Sandral for being a team manager and Bruce Owen for umpiring our games. Congratulations Urana Central for going above and beyond your fundraising goal for such a great cause.

Grace Whittaker
OCS Sport
Well done to Halle Robb, Zak Sartore, Darcy Owen, Aaron Sandral and Wade Bateman who represented our school and the Finley Zone at the Riverina Regional Swimming Carnival in Albury. A super effort by all swimmers and great to see personal best times swum on the day!

Congratulations to Jesse Moloney who has been selected to represent the Riverina in Cricket this year. Best of luck with your games over the year!

Furthermore, well done to Aaron Sandral and Jesse Moloney who have been selected in the Finley AFL team who will play at the Riverina selection trials. Good luck at the next level!

Finally to keep you in the loop, we will be holding our school Cross Country on Thursday 2 April 2015. This event will be held in the morning starting at 9:20am. Students depending on ages will be running 2km, 3km, 4km or 6km.

Melinda Elith
Relieving Head Teacher Secondary Studies

SRC Report
A number of things have been happening with the SRC over the last fortnight.

A group of SRC representatives attended the Urana Shire Council Meeting that was held in Oaklands at the Hall on Tuesday 10 March. It was a great opportunity for students to share what they have been doing at school this year. Furthermore students had the chance to talk to Councillors in an informal setting over lunch.

Traditionally SRC meetings have been weekly on a Wednesday. It has been discussed and voted on that the SRC will trial fortnightly meetings and see how it goes.

Coming up in Week 9 students are organising a ‘Go Purple’ Day as their first fundraiser for the year. Students can come dressed in purple clothing and bring along a gold coin donation that will go towards epilepsy research.

On the same day the SRC will be holding a Sausage Sizzle ($1 per sausage) at lunchtime to raise money to buy new games for the school library.

St Mary Magdalene Anglican Church News

A meeting was recently held between our Bishop and members about the state of our church building.

It was decided that due to excessive maintenance needed we are closing the church and returning after 55 years, to the United Protestant Church.

We expect our 1st service will be May 3rd at 9am and there after as usual, 1st Sunday of each month.

Fax & Photocopying Services Available
If there is sufficient interest I would conduct private speech lessons at Oaklands Central School. Provided such arrangements fit in with the school programme, lessons would be conducted during school hours on alternate Mondays. The concentration would be on preparing for and competing in the Albury Eisteddfod, and possibly also the Wagga Eisteddfod. There would probably be one lesson after the Eisteddfods are over and then lessons would cease for the year.

As lessons would only be once a fortnight, half an hour would be allocated to each student and the charge would be $30 per lesson. It would be necessary for at least six students to enrol and to have a commitment to continue with the lessons until after the eisteddfod or eisteddfods are over, or pay for the lessons not attended.

If you wish your child or children to enrol, please fill out the application form and return it to the school ASAP. For further information please ring 0427 889 599 after 8.00pm.

Grace Stein

Name of Student ..............................Date of Birth..............................

Name, Address and Phone number of Parent or Guardian

I wish to enrol the above named student for Speech Lessons with Mrs. Grace Stein at Oaklands Central School during the 2015 Speech Lesson Programme.
